2010 Champion  
Harry Trainor

2015 Champion  
Jeston Ponciano

Thank you to long time ex-President Layne Kolbet for the history lesson. There are a lot of good (and fast) riders in these lists. It is a lot of dedication that goes into making the Top 10 in a single year let alone to do it multiple years. There are a couple keys to making the Top 10. One is to race all 5 of the OTHG Nationals. Second is to come out and help (receive help points) on race weekends and other work weekends at the track. Third, Race the club moto at our local races. Fourth, attend the monthly meeting (pizza and wings on us). All these will catapult you to the top of the top 10 for the year. See you at the races.
