

## 2020 News

A lot to report this month. First, the South National has been postponed to July 24-26. July in Southern California? Should be a scorcher. Venue has not changed as it is still being held at Glen Helen MX. A plan came together to have a one-day event 'OTHG California Championship' at DT1. One day later, those plans got cancelled due to government restrictions on large gatherings.

It did not stop there. More changes came about with a new venue for the Sierra National at the end of April. With Prairie City being a state ran OHV, they put a hold on any event larger than 250 people until April 15<sup>th</sup> (which got extended). Sierra Chapter decided to relocate their National. The new venue was to be at Oatfield MX Park in Turlock California. Then was postponed. No new date was announced.

As of now, the Reno National has not changed, but may.

Also impacted is the BMX series. As of now, rounds 2, 3 and 4 have been postponed. No dates have been released for make up dates. Here is to hoping the current pandemic doesn't impact our racing schedule from here on out. Next round is OTHG in May.

## Monthly Meeting

Reno OTHG monthly meeting are held on the first Tuesday of every month at Pizza Plus located at Prater and McCarren. Pizza is served at 6:30pm and the meeting starts at 7:00pm. See you then.

**DT1 MX Park**

## Photos

Well I was going to have some coverage from the South National on this page, but... so here are some really cool photos from events past.

From the Editor,

The past month has been crazy. Not sure what to think. I have my own opinion but won't bore you with them about the Coronavirus-19. First Feld postponing Supercross and cancelling races, then local events and the OTHG South & Sierra National being postponed. Hangtown National being cancelled. Outdoor National schedule changing. First round to be in Florida ending at SoCal.

It becomes more apparent that in times like these we need to not forget our passions. Under the current environment we have realized how important it is that we continue to live our life to the fullest and ride our bikes. This sport has fueled on our passion, enthusiasm and stoked our fire. All reasons to never give up as we are all in this together and we will come out stronger if we stay united. Forge through these strange times together in life, on the track and through the trails. Positive vibes to all and make sure to find some time to ride.

Not sure if the state could do it or how they could enforce this, but the desert is still open. Went out to Chickadee and it looks like there was an event out there. Riding your motorcycle is the perfect social distancing. Brraapp on!
