

## November News

In a span of 2 weeks, the Reno OTHG chapter hosted back-to-back rounds of the BBMX. We really had to do a lot of extra work just to pull off the 2 races. We had to submit a safety plan to the city of Fernley and within a week, more paperwork needed to be filed to the Fire Marshal as a non-OTHG events sent all of Lyon County ambulances to Reno which left them none in town. Everyone was excited to be back to racing.

The 2021 Reno OTHG Executive board was voted on this month and remains unchanged from the 2020 board. The 2021 board can be viewed to the right.

Due to the shortened race season and not tracking race points for the 2020 season, a season banquet will not be happening at the end of the year. Instead we are looking into a Reno Chapter only (and immediate family) ride day at either Riverfront or E-Street. The target date will be December 12<sup>th</sup>. We will be reaching out to REP. More details to follow at the next meeting.

For those looking for more racing, Bay Chapter is having a race Nov. 14<sup>th</sup> & 15<sup>th</sup> at Argyll MX in Dixon. It is only a 3-hour drive. For more info visit bayothg.com.

## Monthly Meeting

Our OTHG monthly meeting are held on the first Tuesday of every month at Pizza Plus located at Prater and McCarren. Pizza is served at 6:30pm and the meeting starts at 7:00pm. See you then.

## OTHG BBMX Rd 5

November 7<sup>th</sup> and 8<sup>th</sup> saw the second OTHG race in a row for the BBMX series. More challenges faced us, time change resulting in less day light and cold/snowy weather. Total entries were down from the previous round which the weather was the main deterrent.

Many woke up Sunday morning to snow covered bike.

Snow removal was on order before racing could start.

**Newsletter**

October 25<sup>th</sup> was the return to Reno OTHG chapter putting on a race. The track had been neglected and untouched since March do to COVID shutdowns. Saturday for practice the track was as rough as it has been in recent memory. Sunday the track shaped up and turned out to be very good and held up all day.

Saturday turned out to be a great fall day to be at the track with temperatures being in the 70's. Sunday was a different story. Not sure if it even got to 50 degrees and with the wind made it that much colder.

As for the track, Sunday track was in prime condition with plenty of wet sand throughout the day. With the shorted amount of day light, all the moto's were able to be completed as was most of the clean up prior to it getting dark. All in all, it was a solid weekend to be at the track.

The unofficial turn out was about 320 for Saturday's practice and about 406 entries for Sunday's race. Both day's ran smooth without any unscheduled stoppages.

From the Editor,

My opinion the outdoor Nationals have been anything but drama free. I do think it has been some of the best racing I have seen in a while. There really has not been that one guy who is walking away from anyone. Osbourne is probably the closest but not without some drama. LL2 qualifying and jumping in the non seeded riders (my opinion should not have been a load). Lack luster results at Ironman and that flat tire at Spring Creek. Great season though.

Random thought, is there an AMA rider that has the same number as you? Do you find yourself routing for them? This was really the first year that anyone, that I recall has been racing the #124. Lane Shaw is running the 1-2-4 in the 250 class. It was interesting at one point in moto 2 at WW Ranch he was 1 minute 24 seconds behind the leader at about halfway through the moto and was in 24<sup>th</sup> place but ended up 25<sup>th</sup>.

Broadcast did something interesting. The Mount Rushmore of Motocross. Since the monument is in the United States, here is mine, The Goat, James Stewart, Ricky Johnson, Ryan Dungey. Bob Hannah was an honorable mention. Who is on yours?

Braappon!  
Aaron Bissell 124R

### Race Dates

#### 2020 BBMX Schedule

Date	Club	Location
<b>March 14 15</b>	<b>OTHG</b>	<b>Sandbox</b>
