

News

Race is about to pick up this month. Reno OTHG will be hosting round 1 of the BBMX racing series on March 27 & 28. Before our first race is the opening round of the OTHG Nationals. South National is just a couple weeks away. The final day to pre-register is March 8th. There will be post registration. South National will be held at Perris Raceway. Early weather report looks to be a great weekend for racing.

There will be a joint track work day with Nevada OTMX on Saturday March 13th. We will be getting there at about 9am to fix some fencing and to do a little maintenance on the track as our first race is on the 28th. FYI, OTMX will have their National on the 20th and 21st if you are not going to Perris raceway.

Still looking for volunteers to help out in the sign up trailer on race weekends, as well as a new signup trailer. If you know someone interested or know of a trailer, please speak up.

Our National is shaping up. Getting sponsor and everything is going together.

Monthly Meeting

Our OTHG monthly meeting are held on the first Tuesday of every month at Pizza Plus located at Prater and McCarren, **hopefully**. Pizza is served at 6:30pm and the meeting starts at 7:00pm.

Reno Chapter had a better turn out to the Sierra Chapter race at Riverfront MX in Marysville. Saturday was a challenge getting over Donner Summit as fresh snow had fallen and the roads were icy. Those who made it saw great conditions on Saturday for practice. Sunday was just as nice. A little breezy but was not all that bad.

There was some good racing action all day. It is always good to have some gate drops with some great people who have the same interests as you.

2020 BBMX Banquet

CONGRATULATIONS to Reno OTHG members who received awards from the 2020 BBMX series. The series was shortened to just 6 rounds do to world events that prevented some rounds. The following OTHG members received top honors:

BBMX did something pretty cool this year. With restrictions still in place, they had a ride day at Riverfront MX in Marysville for BBMX members prior to the banquet. Both main track and Vet track where open. Even with the

rain/snow the night before, the turn out was good. Kudos go out to BBMX board for thinking outside the box to make it happen.

From the Editor,

Going to change it up a little this month. Going to take everyone done memory Layne with a little history lesson and a “Did you know” with probably the longest tenured Reno OTHG member Layne Kolbet.

- Did you know...
 - OTHG races used to be at Silver State raceway in Carson City. That place was awesome. For those who never rode or raced Silver State Raceway, missed out on the best dirt in the area.
 - Fernley was OTMX’s track. Once Silver State was not an option, OTMX and OTHG worked together and shared Fernley.
 - Both OTHG and OTMX lease the land and have exclusive rights to hold events at the facility from the Lions Club in Fernley. Others have tried to lease the land but have not been given permission.
 - OTHG donate “protein” to the Lions Club for the holidays. It started out as chicken, game hens and ham and now it is turkey’s.
 - One year at a Reno National, we had a racer shot. He was riding behind the track and a stray bullet hit him. He was taken to the hospital. He still made it back to race the following day.
 - The big white water truck was purchased by OTHG for \$2.00.

Well, I hope you enjoyed the trip down memory “Layne”. I hope to have more tidbits in upcoming Issues.
