

News

May was a very busy month for the Reno chapter. Started the month off with a 600+ entry BMX race, followed by a OTHG Ride weekend/practice, followed by our National which is what we work towards every year. Weather played a big part of all the events this month. Rain cancelled practice halfway through the BMX race. Rain made the Sandbox a little muddy for the OTHG ride day/practice weekend, and the sun was out all weekend for the National.

A big shout out to everyone that came out and helped make for 3 great weekends and to all our great sponsors. Support those who support us.

Reno National

Round 3 of the 2021 OTHG National was a hit. Good company + good weather=great racing. We had about 233 racers for the national and an estimated 400 meals were served before Saturday's raffle. It will be tough for any chapter to top Reno's National event.

BBMX Round 4

Round 4 of the BBMX series proved to be an interesting weekend. During track prep on Friday, it was very warm and sunny. Saturday started out nice, but mother nature decided to add water to the track. Too much water. We had to stop practice at around 12 noon as the rain was not letting up any time soon. Sunday came around that saw standing water all over the track. Prior to practice starting the track crew (Chad Olson and Chris Leone) went out and got most of the water off the track but the damage was done. The sand was soft and spongy. As the day continued, the track got rough and had to spot water a couple sections. Shortly after the last moto finished for the day, the sky's opened back up and watered everything. With about 620 entries, the day was long but was a good day of racing.

Reno OTHG Ride Day

**June 2021
Newsletter**

Reno OTHG had a all chapters OTHG ride day on May 22nd. It rained a good part of the morning but by the afternoon, the sun came our that made the track epic for those who came out to ride.

From the Editor,

2021 marks probably the most racing I have done, in a very long time. I have lined up at 15 events this year with 3 of the events being Saturday and Sunday races.

Looking at the calendar, I am looking at 10 more races this year, with the next one being Mammoth, which I have not raced since either 02 or 03 (I don't recall, too many concussions).

I am having probably the most fun I have had racing this year than I ever had in years past. My only real complaint is cleaning the air box. Why is it that they make these airboxes with so many nooks and crannies that makes it hard to clean. Cleaning the filter is not that bad but that airbox... I hate it.

Our National this year was by far the best that I have been to this year. I have attended the previous 2 this year and do believe our raffle was by far top. Not that the other raffles were bad by any stretch. It is like picking your favorite kid. We had so many grab bag to raffle off, we ended up just throwing them to the crowd. Prizes were amazing with really (5) grand prize level prizes, KLX110, electric bike, grill, 55" TV and about an \$800 value to Regulus Fit to help get you fit. Me personally think we have some of the best sponsors. They are truly awesome.

We were the first chapter to bring the Saturday Night dinner back to the National. The Tri-Tip/Chicken dinner were on point this year. Really looking forward to the last 2 National at Argyll and DT1. See you at the races.
