The Reno National was held for the first time, not in Nevada. The Reno Executive Board tried everything they could to keep it close to home but as they were running out of time, the National was scheduled at REP Racing's Riverfront MX in Marysville. The event had 176 pre enter online and ended up with 224 club racers and 39 support racers on Saturday and 217 club racers and 38 support racers on Sunday. Friday also had a large turnout to get their practice in prior to racing on Saturday.

The all you can eat tacos were awesome. Probably some of the best we have had. A little sad that we were not able to do our traditional chicken and tri-tip dinner, but these tacos were great, and everyone got plenty to eat.

No complaints were heard at the race but did get an email about 4 days after regarding the length of the motos being to short.

The raffle was a hit once again this year with (2) 55" TV's being the grand prize. We handed out a lot of great swag. We would like to thank all our sponsors Big Valley Honda, LS2 Helmets, Flow Vision Goggles, Hinson Clutches, Works Connection, Pro Circuit, Pro Taper, Fly Racing, Leatt, Muc Off, Guts Racing, ETS Racing Fuel, Fasthouse, Ryno Power, Digiprint and Hyper X.

A big thank you to Zeb and the entire REP Racing crew for making it a great weekend. Also thank you to club members Danny Martin, Sedanna Losey, Ken Gourley, Amy Pizorno-Pilz for forgoing racing and just came out to help.

South OTHG National was held at LACR in Palmdale California. The chapter ran 2 tracks (Main Track-Master, Expert, Intermediate) and Vet Track-Novice, Beginner, and Women). Saturday had 199 racers and Sunday had 204. It was a fast and fun lay out. Reno had 8-chapter members attend the race with 6 racing both days.

30+ Intermediate Tyler Pizorno took home a 1st place honors as did 45+ Intermediate George Forbes when both sweep all 4 of there motos. 45+ Intermediate Aaron Bissell rounded out the podium with 3rd. Jason Rubero, 38+ Novice started out a little slow but finished strong with 5-3 for 4th overall for the weekend. Blair Richardson also started out slow but found his groove finish the weekend out with 4-3 scores for a 4th overall. Larry Mulock had a consistent ride with 5-5 for 5th OA. Ken Gourly (65+ Novice) and Keven Lindsey (58+ Novice) called it a weekend after Saturdays racing.

Running 2 tracks allowed the club to stick with timed motos which ended all the racing early, around 3pm on Saturday and a little after 1pm on Sunday.

Saturday's raffle had a bunch of cool giveaway with the grade prize a Yamaha Pit bike. Food was very good with BBQ brisket and sausage. If you have never been to a OTHG National, you are truly missing out.

Round 2 of the BBMX series was a joint venture between Reno OTHG and REP Racing and was held at Riverfront. This marked the first time that both, Reno OTHG and REP Racing has done anything like this. With a solid turnout (200+ Saturday Practice and 503 entries on Sunday) the weekend was a huge success. A few club members helped out on Saturday and Sunday when needed which helped both party's have a smooth event.

Track was super fun with an awesome layout. There were a few delay's due to injury's but for the most part, everything ran as smooth as expected. Shout out to Big Valley Honda for handing out hole shot awards for the first moto gate drops as well as six awards that were handed out by BBMX.

The next BBMX race for Reno OTHG will be September 18th. Site yet to be determined.

Round 2 of the OTHG National Series was held at the famous Hangtown MX track at Prairie City OHV park. The day before the event, it rained a lot which ended up having the promoter cancelling the Friday Practice as the track was pure mud.

Saturday rolled around and the bikes hit the track. The first round of motos, the track was very soft and muddy, but by the second round of motos, the track was in better shape.

Sunday the track was even better and ended up being a great day for moto.

Reno had 10 members at the race. Womens Int- Claire Petrie went 1-1, 45+ Master-Scott Stillmock went 1-1, 65+ Expert-Michael Butler going 3-3, 30+ Int-Tyler Pizorno went 1-4 for the weekend. Would have gone 1-1 but a late crash in the last moto prevented that. 45+ Int-George Forbes went 2-2, Aaron Bissell went 4-3, Chad Olson going 9-6. 45+ Novice Blair Richardson going 8-10, 38+ Novice Jason Rubero going 2-3, and 52+ Beg Ernie Gonzales only raced Sunday getting 3rd.

Reno National

For the first time the Reno National was not held in Nevada. This year, with the shutting down of the Sandbox, the board scrambled to find a venue.
