Exciting news came at the Reno OTHG National raffle on Saturday night. It was announced by Zeb Armstrong (REP Racing) that he has acquired the Fernley Sandbox and that the 2024 Reno OTHG National would return to the Sandbox over the Memorial Day weekend. Reno OTHG President Danny Martin and VP Layne Kolbet have been helping REP Racing with required documentation with the city of Fernley and getting materials that were once at the popular facility. There will be some long hours put in before the facility will be able to host bikes for practice and racing. REP Racing will be relying on Reno OTHG to help bring the facility back to its former glory. More information about work days will be set out as more information is given. In exchange for helping with the facility, we will be getting a few ride days for Reno OTHG members only. But the big new is the Sandbox is BACK.

A new track is also coming to northern Nevada in Elko. There will be a free ride day on June 25th, the day after the BMX round, Elko AX race.

Big news, Mammoth motocross has moved to August 25-Sept 3rd due to record breaking snow levels. Vet weekend will be August 25-27, Mini days August 28-30 and big bike weekend August 31-September 3rd.

Reno National

It was a great memorial day weekend to have a race. This year's Reno National was at Riverfront MX in Marysville CA. It was also announced at the raffle Saturday night that the 2024 Reno National would be back at the Sandbox in Fernley. Everyone at the raffle were very excited about the announcement and are looking forward to the next year's National.

This year's national saw some new sections that have never been used before at Riverfront for a race. The track saw a lot of sandy conditions which made for a challenging track for all skill levels.

Many Reno members turned out for this year's National to race and to come out and help at this year's event.

Results of Reno Members:

- Women's Intermediate Claire Petrie** finished 1st on Saturday and 1st on Sunday.
- 38+ Master-Jimmy Hazel** finished 1st on Saturday and 1st on Sunday with **Ryan Hansen** right behind him on both days in 2nd place.
